Week 21st- 25th September 2nd class

- This work is simply a menu from you to choose work from. There is no pressure to complete this work. It is simply to provide ideas for you if you have time.
- Find what works best for your family in the current situation. A small amount of quality positive learning is more beneficial than a long period of frustration.
- Exercise and play are equally important for your child's development so try to include these on a daily basis.
- We have focused on English and Maths as we feel it is best to focus on these two key areas.
