Activity 1

Monday 22nd June Reading

In Second Class, we have done a lot of Reading. This passage is about Rosa Parks.

Read the passage and answer the questions below.

Rosa Parks

Rosa Parks (1913–2005) lived in the USA and is an inspirational figure who fought for what she believed in. She didn't think it was fair that she had to give up her seat on a bus for a person with a different colour skin, so she refused to stand up. At the time what she did was against the law. Her bravery inspired the Montgomery Bus Boycott which lasted for 381 days. This meant that lots of people refused to travel on buses until the rules were changed.

1. Why do you think Rosa Parks acted as she did?

2. Can you think of a time when you have been brave and said no when someone asked you to do something you knew was wrong?

3. Can you think of a situation where someone might try and use peer pressure to get you to do something you feel is wrong? How would you respond?

4. Research the life of Rosa Parks. What do you think are the most interesting things about her?

5. Why do you think it's important to stand up for what you believe is right?
